Summary

I am an innovative Java Full Stack Developer specializing in building scalable web applications using Java, Spring Boot, React.js, and REST APIs. I am passionate about transforming ideas into efficient digital solutions through clean architecture, responsive design, and modern development practices.

Experience

Intern — INFOTACT Solutions *March 2025 – June 2025 (Remote)*

An innovative company specializing in software and web development

- Completed industrial training in full-stack web development.
- Utilized Git for version control, debugging, and requirement analysis.
- Collaborated in a team of five to successfully deliver a web application on time.

Projects

Smart-Email-Reply-Generator

A project to create an intelligent email reply generator.

- Built the backend with Spring Boot to manage API requests and integrate the machine learning model efficiently.
- Implemented context-aware response generation using pre-trained language models for personalized and intelligent email drafting.
- Designed a secure user authentication system and created admin features for managing email templates and model configurations.

Holtel Management System

- Full-stack application using React and Spring Boot, and MySQL.
- Integrated frontend and backend to provide a complete end-to-end solution for hotel management task.
- Added room booking and reservation management functionality for customers.

Skills

- **Languages:** Java, JavaScript, SQL, HTML, CSS
- **Frameworks & Libraries:** Spring Boot, Spring MVC, Hibernate, React.js
- **Web Technologies**: RESTful APIs, JSON, JSP/Servlets, Responsive Web Design
- **Databases**: MySQL, PostgreSQL
- **Tools & Platforms:** Git/GitHub, Postman, IntelliJ IDEA, Maven, Docker (basic)
- **Core Concepts:** Object-Oriented Programming (OOP), Data Structures & Algorithms
- **Soft Skills:** Problem-solving, Communication, Teamwork

Education

B.Tech in Computer Science and Engineering, Centurion University, Odisha 2022 – Ongoing
CGPA: 8.4

Intermediate (12th) , S.D.S Senior Secondary School Chapra, Bihar 2020 – 2021
Percentage:64.8

Matriculation (10th), Galaxy Residential Public School, Chapra, Bihar 2018 – 2019
Percentage: 70

Certifications

- **Data Structures and Algorithms using C for Placements** - View Certificate
- **Git Essential Training** - View Certificate

Achievements

- Successfully completed the "**Build a Website Using Wix Artificial Design Intelligence**" certification from Coursera Project Network, securing a score of **85.71%** (September 2025). – View Certificate
